Palm Springs has long been deemed California's ultimate desert playground.

For decades, nearly a century in fact, it's been the quintessential oasis for outdoor adventure, arts and culture, gaming and entertainment.

It's a vibrant village with an urban sensibility, dotted with a wonderful assortment of fashion and crafts boutiques, art galleries, theaters and museums.

It's an irresistible collection of vintage, retro and mid-century modern homes along with eclectic film festivals, restaurants, cafes and late night bistros of every description.

And then there's the golf. Spectacular golf. Lying at the base of spectacular mountain and desert backdrops.

Visitors the world over are lured to Palm Springs for its storied Hollywood legacy, Native American heritage and stellar collection of mid-century modern architecture.

Whether you're planning a family vacation, a romantic retreat, or maybe just a friends getaway, Palm Springs is fun in the sun all year-round.

And what better way to soak up all that fun than with a vacation home or condo rental. Day, week or month, it can make your Palm Springs vacation even more special.

Blessed with gorgeous weather, stunning blue skies and year round sunshine, the desert's natural beauty sets the stage to explore ancient palm groves, blooming desert vistas and majestic mountains.

And after a long day of play, there's simply no better way to unwind with friends than with a nice, cool cocktail poolside back at your place. Maybe a swim under the stars.

Legendary Palm Springs is a desert paradise only two short hours from either Los Angeles or San Diego. And you'll find our Palm Springs International Airport offers direct flights from major cities all across the U.S. and Canada.

Here's your chance to experience a home away from home. To live like a local.

Palm Springs vacation homes and condo rentals are an affordable alternative that offers the ambience of a full service resort and the privacy only a home can offer for your friends and family.

Let your day begin with breakfast on a private patio nestled against the majestic mountains. By afternoon, the kids are splashing around the pool while the adults are playing golf or shopping. Or sipping cocktails at a downtown bistro. Or simply enjoying a little R&R under the palms.

As the sun slips colorfully behind lavender mountain peaks, social hour begins poolside, perfectly complemented by fire pit, BBQ and lush landscapes. Our warm desert nights always set the stage for a midnight swim under the stars. It's a wonderful way to experience all that Palm Springs has to offer. It can become one of the best value vacations you've ever experienced, with a private home all to yourselves.

You have thousands of vacation homes to choose from. All styles and sizes. Private backyards and pools.

Even former celebrity homes are yours for the asking – Frank Sinatra, Lucille Ball, Dinah Shore and Marilyn Monroe to name drop a few. Some homes include spacious movie rooms. Others boast concierges and private chefs. They're the perfect choice for your multi-generational vacation.

With literally thousands of professionally managed and privately owned homes and condos to choose

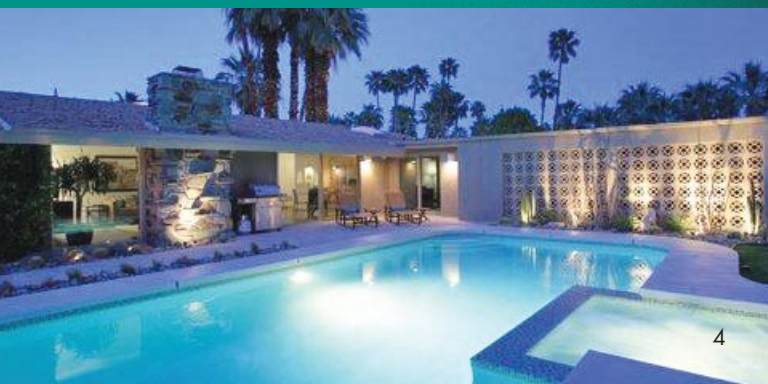

from for your Palm Springs vacation, there's certainly no shortage of opportunities. And in all prices and sizes and styles, from comfy condo to cottage, castle to mid-century modern.

Golfers choose villas with patios fronting the many fairways and greens here, while families enjoy large houses with private pools and backyards for the family pet to play. Shoppers and nightlife hounds opt for cozy downtown condos with mountain views, while history buffs appreciate Palm Springs' huge treasure trove of mid-century modern gems built by renowned architects.

Palm Springs is like no place else. And taking it all in from your very own vacation home or condo makes it all the more special indeed.
